- ∞ Echocardiograms with and without contrast

In addition to the above procedures, we also provide the following services for our inpatients:

- ∞ Transesophageal Echocardiograms
- ∞ Venous Doppler exams
- ∞ Arterial Doppler exams
- ∞ 24 hour Holter Monitors
- ∞ Electrocardiograms (EKG)

At Gwinnett Medical Center-Lawrenceville, we provide the following services for both outpatients and inpatients:

- ∞ Electrocardiograms (EKG)
- ∞ 24 hour Holter Monitoring and reporting
- ∞ 24 hour ambulatory Blood Pressure Monitoring and reporting
- ∞ Stress Testing
- ∞ Nuclear Stress Testing
- ∞ Echocardiograms with and without contrast
- ∞ Transesophageal Echocardiograms
- ∞ Venous Doppler exams
- ∞ Arterial Doppler exams with and without exercise
- ∞ Vein Mapping
- ∞ Graft Surveillance

All of our procedures are interpreted by board certified cardiologists and vascular surgeons.

We have early morning and late afternoon appointments available for all of our procedures. Our echocardiogram lab also has evening and Saturday appointments.

Uniforms are required: Royal Blue scrubs for RNs and Ceil Blue for Techs. (Associate purchases.)

To schedule any outpatient procedures at either location, please call (678) 312-4554.

Our Cardiology Vascular Lab is one of a select number of vascular laboratories in the US to meet or exceed the accreditation standards set by the Intersocietal Commission for the Accreditation of Vascular Laboratories (ICAVL). We have maintained accreditation since January 2000.

Our department is made up of a large group of friendly, professional, dedicated staff, who together has provided over 325 years of service to Gwinnett Medical Center.
