

Faith Community Nursing ... whole person health.

Come learn how to use your professional nursing knowledge and skills to deliver whole person health...mind, body and spirit...in a faith community setting.

Healthcare with a higher purpose

Faith Community Nursing is making a meaningful difference in the lives of faith community members and the surrounding communities.

Enrollment Requirements

- Registered nurse with current license
- Commitment to physical, spiritual, mental and emotional health
- Active involvement in local faith community
- Commitment to completion of program
- Commitment to use course information in service to the faith community

The student will receive a certificate of completion during a service of dedication. (Session I & II must be completed to receive the GNA contact hours.)

Purpose

To prepare registered nurses to function as faith community nurses within the context of a faith community.

Foundations of Faith Community Nursing Course

An interfaith educational opportunity
for registered nurses

Presented by:
Faith Community Nursing of
Gwinnett Medical Center

Session I: September 22-24, 2016

Session 2: October 20-22, 2016

(Both sessions required)

Course Content

Utilizing the Foundations of Faith Community Nursing curriculum, approved by the Westberg Institute for Faith Community Nursing, this course is an intensive educational program that focuses on the main issues and challenges facing nurses who practice in faith communities. It is a time of learning, worship, personal reflection, spiritual growth and communal fellowship with other nurses and caregiving professionals. This course prepares nurses to establish and grow a health ministry within a faith community.

Sample of Topics

- Theology of Health and Healing
- Roles of the Faith Community Nurse
- Beginning a Health Ministry
- Clergy/Nurse Dynamics
- Spiritual Assessment and Caregiving
- Ministry of Presence
- Family Violence in the Faith Community
- Grief and Loss

This activity has been approved by Gwinnett Medical Center for 52.33 contact hours. Gwinnett Medical Center is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Association Credentialing Center's Commission on Accreditation.
