

You may not have planned for an illness or injury, but we did.

While we hope you never need to use them, Gwinnett Medical Center has Emergency Rooms, fully staffed specialty-trained experts, available 24/7 at both GMC-Lawrenceville and GMC-Duluth.

For illnesses that are not life threatening but still need immediate medical care, we've partnered with ChoiceOne to open urgent care centers in Hamilton Mill and Sugar Hill. Each center is open from 8 a.m. to 8 p.m. each day, and no appointment is needed. Learn more at gwinnettmedicalcenter.org.

When in doubt, call 911.
